it is in my beleaf that Microsoft is being as fair as possible. I DO NOT THINK ITS RIGHT THAT OTHER BUSINESS TAKE ADVANTAGE OF mICROSOFTS HARD EARNT ADVANCEMENT IN TECHNOLIGIES. IF THESE OTHER COMPANYS WANT TO HAVE SUCCESFUL BUSINESS THEN LET THEM ESTABLISH THERE OWN TEAM OF TECHNICIANS AND CREATE THERE OWN TECHNOLIGIES INSTEAD OF CRYING FOUL AND WANTING SOMEONE ELSE'S ALREADY FORMED TECHNOLIGIES. YES ITS TRUE MICROSOFT HAS MANY ADVANCEMENTS BUT THEY EARNED THEM THE HARD WAY THEY WORKED FOR THEM. I THINK ITS WRONG FOR THE GOVERNMENT TO WANT TO BREAK A BUSINESS UP BECAUSE A CERTAIN INDIVIDUAL HAS A PERSONNEL AGENDA AGAINST MICROSOFT. I WATCHED AT&T BROKE UP BY GOVERNMENT AND LOOK ITS COSTING EVERYONE MORE MONEY. WHICH I BELEIVE IS WHAT THIS IS ALL ABOUT. OTHER BUSINESS AND GOVERNMENT WANTING A PIECE OF SOMEONES HARD EARNED MONIES. Is it Bill Gates fault that he is sucessful? yes it is!! he and his company worked hard for there achievements. so thats my story and let it be said that if other business and people want to make microsofts profits then let them earn them the old fashion way! work for them themselves and not try to have government step in when it is really not of concern to government unless they too found a way to make free money from others . respectable
